Erongo RED wishes to inform all its esteemed pensioners that due to the COVID-19 pandemic the re-registration of the social tariffs for the period 2019/2020 has been relaxed and all beneficiaries will remain on the social tariffs until June 2021.

The purpose for the extension of the re-registration is to minimise potential exposure to COVID-19 particularly the vulnerable group.

All new pensioners who qualify for the social tariffs are encouraged to visit nearest Erongo RED Customer Care Office to apply for the social tariffs.
