

PUBLIC NOTICE

TARA NAWA COMPUTER SOFTWARE SOLUTIONS

Dear Valued Stakeholders

Please be informed that Erongo RED procurement for goods and services are done by obtaining quotations through the Tara Nawa Computer Software Solutions.

The procurement division will manage all quotations for goods and services, either through Tara Nawa or, in special cases, by email or phone. Other staff members are no longer permitted to directly obtain quotations from suppliers.

In light of the above, all existing and potential suppliers of goods and services are encouraged to register on the Tara Nawa Computer Software Solutions website (**www.webportunities.net**).

Registration on webportunities.net is for free. Suppliers should ensure to also sign up with Erongo RED on the same website at no additional cost. This will ensure unrestricted access to Erongo RED's daily requests for quotations with a value less than **N\$ 300,000.00**.

For all procurement of services and goods above **N\$ 300,000.00** the procurement process remains unchanged. Erongo RED will continue to advertise tenders in local newspapers and on social media platforms. Original tender documents will be sold to potential bidders and original bidding documents will need to be submitted into the tender box at the Erongo RED Head Office before the closing date and time of the tender.

For assistance on the website, kindly send an email via the "**Contact Us**" link on the website or call the Tara Nawa team on **Tel: +264 (0)64 402 403**.

Erongo RED values its relationships with stakeholders as crucial to the organization success and expresses sincere gratitude to all current and potential suppliers of goods and services for their ongoing support over the years.
